March 14, 2014

STATEMENT CONFIRMING MAILING OF FIVE-DAY NOTICE OF REGULATORY ACTION TO READOPT EMERGENCY AMENDMENT

(Cal. Code Regs., tit. 1, §§ 50, subd. (a)(5)(A), 52, subd. (a))

Subject: Definition of Suction Dredging; Use of Vacuum or Suction Dredge Equipment (Cal. Code Regs., tit. 14, § 228, subd. (a))

On March 7, 2014, the California Department of Fish and Wildlife (CDFW) sent notice of the proposed second readoption of its June 28, 2013 emergency regulations related to the use of vacuum or suction dredge equipment to every person who has filed a request with CDFW for such notice. CDFW sent the notice at least five (5) working days before submitting its request for approval of readoption to the Office of Administrative Law (OAL) as required by Government Code section 11346.1, subdivision (a)(2), and related regulations.

If you have any questions regarding this statement or the emergency readoption, please contact Craig Martz, CDFW Regulations Unit Manager, Wildlife and Fisheries Division, at (916) 653-4681. Related comments or questions to CDFW can also be submitted to suctiondredge@wildlife.ca.gov.
